

Mayne Island Improvement District

Driver's Abstract Policy

POLICY OBJECTIVE

The Mayne Island Improvement District (MIID) is committed to providing a safe and responsible work environment to all employees and the Mayne Island community. MIID has a fiduciary responsibility to the community and taxpayers of Mayne Island to protect the assets of the MIID.

The MIID will operate a fleet of fire trucks to meet the fire protection requirements of MIID. All MIID vehicles will be under the control of the Fire Chief. All MIID vehicles will operate in compliance with the BC Motor Vehicle Act and Regulations, the National Safety Code and the BC Workers' Compensation Board Occupational Health and Safety Regulation.

PROCEDURE

The Fire Chief shall maintain procedures which will ensure the security and maintenance of all vehicles and maintain procedures which will ensure safe operation of such vehicles by authorized drivers.

Vehicles owned by MIID shall only be driven by authorized drivers and used for official MIID business.

Only those individuals with a valid driver's license, in the appropriate class for the vehicle being operated, and who have signed a MIID Driver Agreement, may operate a MIID owned vehicle.

GUIDELINES

The conditions that every driver must meet in order to be eligible to operate a MIID vehicle are as follows:

1. The Driver must hold a current, valid British Columbia Driver's license of a class appropriate to the vehicle being operated and its intended use.
2. An original copy of a BC Driving Record Search (Driver's Abstract) provided by the Insurance Corporation of BC (ICBC), Operations Support Department must be on file with the Corporate Office of MIID and must be updated bi-annually. Failure to provide a BC Driving Record Search restricts driver's ability to drive a MIID vehicle.
